Dear Business Development Team:

National PCC Day is quickly approaching! This is the mailing industry's most important annual local event and we want you to be included! National PCC Day will be held on September 21st at the CIT Complex in Herndon, VA from 8:00 am to 2:00 pm. Newly appointed Postmaster General Pat Donahoe will be featured live, via satellite, with his keynote address.

We expect between 120-140 attendees from the mailing industry who are the decision makers that you need to network with to generate more business for your company. We will also have a prestigious on-site guest speaker and conduct dynamic educational presentations.

Register now for just \$450.00! As space is limited, we ask that you register for your booth early by completing the attached Vendor Registration form. Deadline to register is September 1st.

We look forward to seeing you at the National PCC Day event to assist you and your customers in obtaining the information needed to enhance your business.
